23 Sept 2021

Judge Dogs: Aidine Howes (Medogold)

A super day with my co-judge Ria Nelis (Freebreeze) judging the Bitches and Ruth Francis (Feebrick) Referee. Thank you to the Club Committee for keeping this appointment open during the difficult period of Covid19, also thanks to my stewards Linda and Jackie. A long day for exhibitors as I did not start judging until 2-15pm. I found several mouths where the bite allowed some of the top teeth behind the bottom row and 1 undershot jaw. Movement was good in all my class places but there was some poor movement with lack of muscle tone, maybe because we were locked down for so long from March 2020

The bitches took a clean sweep for BIS- Brent Hothouse Flower, RBIS – Chesterhope C'Mon Over to Carmandine JW (Imp NZ), BP- Stocksfell Showdown on the referees decision, BV-Tenshilling Viva Las Vegas agreed with my co-judge
